

REGULATIONS ON TUITION AND TRAINING SERVICE FEES

Scope of regulation: This regulation regulates tuition fees and training service fees of the School.

Hanoi University of Science and Technology (hereinafter referred to as the School). Including: Tuition, Training service fees. Tuition policy for the following cases: Repaying credit debts, Re-defending thesis/dissertation/dissertation, Requesting temporary leave of absence, Extending training time, Changing training programs, Reducing tuition fees for credits with recognized scores, Dropping out of school, Exemption or reduction of tuition fees according to policies. Applicable subjects: This regulation applies to students, trainees and postgraduates of the School (hereinafter referred to as students). Tuition fees and related training service fees will be adjusted annually according to the decision of the Principal.

This regulation will be published on the School's website and notified to all students before implementation.

Tuition is the amount of money that students must pay to the School to cover their learning activities. The tuition of a training program is determined by the academic year, training level, and training subject. Tuition may increase by academic year but not more than 6% compared to the previous academic year. Annual tuition adjustments apply to students entering the program.

from 2023.

The Principal will issue a decision on the annual tuition fee after approval by the School Council. Tuition fees will be collected on a semester or yearly basis. Tuition fees for the English Language Support Program will be based on the Principal's annual decision.

Training service fee is the amount that learners must pay for the School's service activities and services not specified in Article 2. 2. Adjustment of service fee level:

The fee may change annually at the discretion of the Principal.

and will be notified to students before implementation. The recruitment service fee is submitted with the application and is non-refundable in all cases.

Undergraduate and master's training programs: 500,000 VND/application. Doctoral training programs: 1,000,000 VND/application. Re-examination fee is 100,000 VND/credit, applicable to training programs of

School. The re-examination fee is 200,000 VND/subject. The re-examination fee is 200,000 VND/credit.

The reservation service fee is 1,000,000 VND/semester, applicable to students who request a temporary leave of absence and want to continue to keep their name on the school's student list. The reservation service fee is non-refundable. The tuition fee for voluntary credits is based on the tuition fee applied for one (1) credit at the time of registration for additional voluntary credits multiplied by the number of credits of that course.

Students who pay off outstanding credits or re-defend their thesis/dissertation/dissertation must pay tuition.

Students need to pay tuition fees according to the formula: Tuition fees multiplied by the number of credits to be repaid. Students must pay tuition fees equal to Tuition fees multiplied by the number of credits of the thesis. Students must pay tuition fees equal to the Credit Tuition Fee multiplied by the number of credits of the thesis. Students must pay a fixed fee of 10,000,000 VND for each re-defense. Students who request a temporary leave of absence must pay tuition fees and a reservation service fee according to the time frames.
